

Homecoming in Song & Stillness

7 days immersed in the power of music, community & stillness
with Joachim Goerke & Barbara Svetina

Findhorn Ecovillage,
July 15 - 21, 2024

Listening to Joachim's exquisite piano playing, creating rich harmonies in community singing and sharing the blessings of dance, voice improvisation and ritual will weave us into a colourful fabric of sound, stillness, prayer and healing. These days are also an opportunity to peek into Joachim and Barbara's toolbox for song leaders and to develop skills in voice training, song accompaniment, circle singing, song creation, musicianship training, sacred space holding and more!
